## Hero Realms Journeys

Undertake noble quests and emerge victorious! Quest to discover powerful Artifacts! Each quest gives you a secret objective – complete it and you earn a magical artifact to add to your deck. Finish all three of your quests and you win!

Go on the hunt with powerful new actions and brave new champions. Hire an ogre bounty hunter, enlist a valiant knight, and unleash the fury of the wild to protect your realm!

Travel the realms with mighty new champions and take bold new actions! Will you ally with a wise elf, or a brutal slayer? Will you charge your enemies, or sway them to your cause?

Journeys is a set of four 12-card expansion packs. Conquest and Discovery add the new Quest and Artifact card types. Quests are secret objectives that player may complete to earn Artifacts! Hunters and Travelers add new champions and actions to the game.
