Deckbuilding Game

Star Realms

Rule the Stars! Forge your own star realm. Build up your military through shipping and trade, then use your mighty fleet of warships to protect what's yours and take what isn't!

Designed by Magic hall-of-famers Darwin Kastle and Rob Dougherty, Star Realms combines the fun of deckbuilding games with the interactivity of trading card game-style combat. As you play, use trade to add new ships and bases to your deck.

When played, those ships and bases generate powerful effects, additional trade, and combat to attack your opponent and their bases. If you reduce your opponent's score to zero, you win!

This display box contains 6 game decks. Each deck is a complete 2-player game containing rules and 114 cards. To expand the game for more players, use an additional deck for each additional 1-2 players.

Contents:

- 114 beautifully-illustrated cards
- 80-card main deck
- 10 Explorer cards
- Two 10-card personal decks
- Two pairs of score cards
- Full-color rule sheet
